

Osprey Platform Sponsorship

Each of our Osprey Nesting Platforms has been sponsored by members and friends of the Fishing Club. Normally we have a “waiting list” of those wishing to sponsor a nest. During the past two years we have replaced many of the older units and the result is we have exhausted our waiting list. We intend to replace three older platforms in September and we have sponsors for two.

Sponsors pay for the platform materials and a plaque is attached to the unit similar to the illustration below. If you would like to sponsor a nest, please call Dick Omrod at 609-263-2506 for more information.

Don't delay, it's “first come, first served”. You can also call to have your name placed on the waiting list for 2022.
